RE: Cultural Resource Inventory Report for Libby Asbestos Site, Libby, Lincoln County,
Montana Project # 805169

Dear Paul

We received the information on the Libby Asbestos Site from URS and look forward to dealing in an expeditious way on the Libby contamination problems. We will need the EPA to send us your findings of eligibility and effect so that section 106 Regulations can be complied with. The cultural resources are an important aspects of any project that effects cultural resources.

If you have any questions or concerns about the points presented here, please call me at (406) 444-0388.

Sincerely,

Josef J Warhank
Review & Compliance Officer
